

## McGowan Scientist Camp Bonus

➤➤ Up to 10 Bonus points will be awarded to teams that do some “Extra credit” by researching a member of the McGowan Institute for Regenerative Medicine’s research staff (listed below).

○ During “free time” log onto the computer or use your mobile device to do research on the MIRM website  
[www.mirm.pitt.edu/people/faculty\\_staff.asp](http://www.mirm.pitt.edu/people/faculty_staff.asp)

○ Write just 3---4 sentences on a colored notecard (located at your stations) and turn it in upon completion (envelope marked bonus on the front desk).

○ The more you research the greater the opportunity for bonus points.
